Fees

In any divorce case, there are standard court costs associated with filing a divorce petition and other relevant legal documents through the Dane County Family Court. This is in addition to attorney fees. The total amount you pay will depend on the type of divorce you are filing and the amount of time it takes in resolving differences. Generally, prices start at \$599 for a DIY divorce and go up to \$2,999 or more in more contested cases, depending on the time and effort required.
